GENERAL INFORMATION:

It is within the policy of this Department to grant as many permits as possible to organizations seeking facilities within the Town. Due to the limited number of facilities, especially lighted facilities, plus the increasing number of athletic organizations requesting permits, the Department of Parks, Recreation and Cultural Affairs cannot guarantee any organization the facility or complete schedule they seek. However, every effort will be made to satisfy all requests. The holder of a permit will be held responsible for careful and prudent use of the area, and for all damage to person or property resulting from the activity allowed by a permit.

***Please note all facility restrooms are not guaranteed before April 1st and after November 1st ***
